ACH Bank Drafting

We are very excited to offer this time and cost saving program to our water users. If you are interested in signing up for ACH Bank Drafting, please fill out the form on this page. If you have any questions about the Bank Drafting process, feel free to contact Ann (office: 701-448-2686 cell: 701-400-1308).

Water statements will be mailed to you on the last business day of each month, but there will be a note on the bill informing you that the payment will be debited from your account. The account that you provide will be drafted for the full amount of the bill. We will have some flexibility on the date of the draft but are hoping to keep it around the 14th of each month.

All information provided will be kept confidential. Please date and sign your name for our records.

Thank you,
Ann Broussard
Manager
